EXPERIENCE

Mobileye, Israel

March 2024 – September 2025

FinOps Project Manager

- Managed multi-million dollar enterprise AWS and GCP cloud environments.
- Owned strategic cloud cost optimization projects with multiple R&D groups, achieving over \$300K reductions in cloud expenses.
- Enabled data-driven decision-making with clear real-time insights by creating detailed financial and usage dashboards on Quicksight and Finout.
- Partnered closely with Finance, Engineering, Procurement, and Product teams to translate business goals into actionable FinOps projects, plan and forecast budgets, and negotiate contracts.
- Presented FinOps projects and budget forecasts regularly to the executive leadership team.
- Prioritized and contributed to the early development of an AI cost and token management framework using a showback model across the R&D organization.

Zesty, Israel

June 2021 – March 2024

AWS Cloud Alliance Manager

- Generated \$3.5M in new/won ARR from AWS-led referrals (AOs) in 3 quarters
- Built the alliance department's growth plan, onboarding plan, and 2024 budget
- Created processes for and trained the Sales, Customer Success, and Partners teams on how to co-sell with AWS including best-practices
- Led multiple 1:many enablement sessions with AWS teams successfully enhancing brand awareness of Zesty's product offerings and kicking-off the co-selling motion
- Led strategy for Sales and Partners teams' focuses for H2 2023 and FY2024 by opening new markets in collaboration with AWS
- Worked closely with the Product Team on co-building with AWS and gaining new AWS Competencies

Team Lead - Business Development Representatives (Outbound)

- Led team to generate over \$7M in new/won ARR in 18 months, generating 80% of Zesty's closed/won ACV
- Built and implemented Zesty's hiring, onboarding, and assessment processes currently deployed by the BDR and SDR teams
- Integrated new tools to maximize efficiency and outputs for the team. I successfully advocated for Zesty to move CRMs from Hubspot to Salesforce and spearheaded the migration and setup of Outreach as a sales enablement tool
- Created all processes in place for the team (in parallel with the sales playbook) while implementing SLAs between teams in the sales org at Zesty to ensure smooth collaboration and handoffs

Sisense, Israel

January 2020 – June 2021

Senior Business Development Representative, UK Team

- 2020 Accomplishments: #1 International Team ADR, most ACV generated by New Accounts Closed/Won deals; International Team MVP Q3; exceeded target by 100% in each quarter
- Led onboarding for new ADRs and shared best practices for the entire international sales team including AE's and ADRs based in the U.S.

EDUCATION

Babson College, Babson Park, MA

August 2013 – May 2017

Bachelor of Science in Business Management; Finance & Accounting

- Babson College Varsity Softball Team (NCAA DIII), Sigma Kappa Sorority

MILITARY

Israel Defense Force, Israel

December 2017 – December 2019

Aerial Defense Combat Soldier, Sergeant

- Completed Interceptors Course (Level 07) as part of extensive training to effectively utilize Iron Dome technology and software under extreme pressure and time constraints
